SOLAR PANEL CLEANING BRUSH

Delicate, Quiet, Reliable and Efficient Mazaka Sunlite brushes are designed to provide maximum technical performance even after multiple wash cycles. It is no accident that Solar PV Industry has adopted these innovative brushes as original equipment in their systems.

The unique Mazaka Sunlite solar cleaning system enables the thorough (and simultaneously effective) cleaning of solar systems, regardless of the orientation and tilt angle of the solar modules.

- Adjustable Water Consumption
- Mini Lever Control
- Modular Design
- 180 Degree Range of Motion
- Both Wet & Dry Cleaning Capable

SPECIFICATIONS	MP220	MP440	MP640
